

PRIVACY POLICY FOR USING THE MECOON HOMEPAGE

The security and confidentiality of your information is paramount at Mecoon. We strive to best protect your information when you visit our website with high security standards.

Which data is stored and processed?

When calling up the homepage, web server log files are created. These contain, among other things, IP addresses that also fall under personal data. These log files are stored for two weeks.

Your IP addresses are not evaluated and displayed in an access statistic of the homepage. The IP addresses have already been removed from old statistics files.

This homepage is hosted externally by an IT service provider with whom a corresponding order processing agreement has been concluded.

Data security

We have implemented extensive technical and operational safeguards to protect your information.

Your rights

In principle, you have the rights to information, correction, deletion, restriction, data portability, revocation and opposition. If you believe that the processing of your data violates data protection law or if your data protection claims have otherwise been violated in a way, you can complain to the supervisory authority. In Austria, this is the data protection authority.

Under the GDPR you have a right to free information about your stored data.

If you have any questions about this Privacy Policy, or if you would like to complete, amend, correct, restrict or delete your data, please contact us
